

Ethics of Self-Disclosure

This session will be interactive – with some surprises! Whether we are faced with sharing information from our past or present, personally or professionally, we are often unsure of how that information will be perceived. Come learn how you might use “less than positive” information to help build relationships and show your children and clients that we can use our challenges to move us forward rather than hamper our growth.

10:00 a.m. ~ 1:00 p.m.

3 Category I CEUs

Certificate received same day!

\$40 only!
