About Us

Kayla's Village was founded on July 7, 2007 as a resource diverting youth from the difficult foster care system while strengthening the capacity of families and social service professionals.

Founder & CEO

Tonya Logan, founder of **Kayla's Village**, began her child welfare social work career in 1991. She has clinical licenses in D.C. and Maryland, has worked at and contracted with several social service agencies, provides therapy, and serves on an Advisory Committee. Tonya provides services to many children between the ages of birth and 21 connected to the foster care system as well as families at-risk of abuse and neglect. She conducts interactive seminars, is a published author of ***Mommie's Bright Sunshine***, and is parenting two children, one who joined the family via adoption.

Vision

Improving the lives one person, one family, one professional, one community at a time.

Mission

To be the premier provider of innovative seminars and supportive resources for individuals, families, professionals, and communities.

Goal

Enhanced information gathering, broader information sharing, and sustainable supportive resources for those who care about youth and families.
