*A Supportive Resource for  
Youth, Families, Professionals,  
and Communities*

### About Us

**Kayla's Village** was founded on July 7, 2007 as a resource to divert youth from the foster care system and develop and strengthen the capacity of families and social service professionals.

### Founder & CEO

Tonya Logan, founder of **Kayla's Village**, began her child welfare social work career in 1991. She has D.C. and Maryland licenses, has worked at six agencies, is a contractor with several social service agencies, and serves on one Advisory Committee. She has provided services to many children between the ages of birth and twenty-one connected to the foster care system as well as families at-risk of abuse and neglect. Tonya has conducted training seminars, is a published author, and is parenting two children, one who joined the family via adoption.

### Vision

Improving lives one person, one family, one professional, one community at a time.

### Mission

To be the premier provider of innovative seminars and supportive resources for individuals, families, professionals, and communities.

### Goal

Enhanced information gathering, broader information sharing, and sustainable supportive resources for those who care about youth and families.
